INTRODUCTION.

Congratulations on taking the first step in studying the bible through the lens of HaMoshiach Yeshua.

The Judaic Studies Institute has an extensive – and ever-growing – library of, resources, materials, and courses for you to study and learn from.

You will become acquainted with the bible and it's messages like never before. As you begin to work through these materials it will be as if you are sharing a table with the likes of the Talmidim themselves. Similar questions will be posed, similar topics discussed, and the same conclusions reached.

YESHUA IS THE MASTER.

Looking around the table you will find Yeshua sitting at the head, directing our conversations, as after all He is the Master teacher. As His mother well said: “... ***whatever He says to you, do it.***”

SERVING THE WHOLE KINGDOM.

You will quickly learn that the Judaic Studies Institute serves the whole Kingdom of YHVH, Jew and non-Jew alike. Our courses focus on restoring the very “Belief System” of Yeshua’s disciples and bring YHVH’s Word alive for the student.

As a student you will find these courses academically sound and spiritually vibrant, making study a delight not a chore.

We developed our courses to cater for all “students” ...Moms, Dads, Pastors, Rabbis, the young, the mature... everyone can benefit from enrolling in a JSI course.

With JSI you can earn an approved Certificate or Diploma, or you may want to study subjects for your own personal interest... the choice is yours. We even have a specialized course for those seeking Rabbinic Semicha.

HAVE REGULAR CONTACT WITH YOUR MENTOR

The Mentors at JSI understand the importance of students having regular access with them. Every fortnight there is an invitation for students to join a “Zoom” meeting for general discussion. This is a fantastic opportunity to become more engaged in the whole process.

Your classes and study are not just to be academic but engage your very being in fulfilling the call of YHVH in your life.

“Both the will to do it and the accomplishment of that will are something which God accomplishes in you, to carry out His loving purposes.” Philip- pians 2:13

THE MISSION OF THE JUDAIC STUDIES INSTITUTE.

Our mission is to glorify the name of YHVH, through an education process that restores the original biblical faith. We do not want to demean other ministries, but we do want to give people the chance to view the bible through the Lens of Messiah Yeshua.

VISION AND HOPE.

We want to help all Children of Israel to give reason and hope for their faith, become Talmidim who can defend their biblical faith in every circumstance. ***“..... If anyone asks you to give an account of the hope which you cherish, be ready at all times to answer for it, but courteously and with due reverence.” 1Peter 3:15***

We want all to have an intimate relationship with the Holy One of Israel, having a full understanding of His holy Torah and how it relates to this relationship.

AIMS AND OBJECTIVES.

Our aim at JSI is to help the Children of Israel develop a sense of biblical heritage. This leads to a feeling of belonging to something bigger than oneself. One of our main objectives is to help unify all believers of biblical faith under the wings of Messiah Yeshua... Jew and non-Jew living according to the “constitution” of Israel as given by YHVH.

CONCLUSION.

If you are seeking to enhance your understanding of the bible and the faith once delivered to the Saints, then the Judaic Studies Institute is an excellent choice.

In this course the student will learn – How to share the Road to Redemption, What does it mean to be Messianic, Who We are in Messiah, Healing our Covenant of Blessing, Holiness and Purity, Overview of the Feasts, Shabbat Resting in Messiah, The Fruit of the Ruach Hakodesh, The Mitzvot and Blessing of Tithing, The Power of Prayer, The World to Come/Olam Haba, The Importance of Bible Study and the Importance of Community. - **Dr. Deborah Brandt Ph.D.**

This is an in-depth study of the Book of John from a Messianic Jewish perspective on the life of Yeshua. Over 400 pages of notes that will connect you with the Master in a greater and deeper way. Includes Audio

THE LETTER WRITER - PAUL’S BACKGROUND AND TORAH PERSPECTIVE - TIM HEGG

How could he describe the Torah as “holy,” “righteous,” and “good,” and commend its message as “spiritual,” while at the same time teaching it was burdensome and something to be avoided? In The Letter Writer, Tim Hegg reveals a different Paul—one who maintained his Jewish identity and love of Torah; an Apostle of Yeshua the Messiah who not only lived an obedient Torah-life himself but expected those he taught to do the same. In The Letter Writer, Paul is seen to be both the Apostle of grace and of Torah, because the Torah, when received in the context of faith in Yeshua, is God’s revelation of sanctifying grace.

RAV SHAUL-THE SHALIACH TO THE NATIONS

Rav Shaul is the most misunderstood writer in the entire Bible. People twist his words, making them say just the opposite of what he meant because most Bible Colleges do not teach the Bible from a Jewish perspective.

This book will help the reader understand Rav Shaul and what he was saying based on his Jewish background and the Jewish scholarship of his time. This is a must, to understand the Torah’s place in the life of every believer in Messiah Yeshua and Sha’ul’s support of Torah in the life of a believer. A class for New Believers, those who are new to Torah, and not so new to Torah. – **Notes provided and audio/video lectures by Rabbi Mordecai Silver**

TABERNACLE A PATTERN FOR DIVINE ORDER - RABBIN DEBORAH BRANDT PH.D.

A Study on the Tabernacle, its patterns and types that point to Messiah and Divine Order. We will use PowerPoints and other visuals to learn about the Tabernacle in the Wilderness. Some audios. Lectures by Dr. Deborah Brandt

A STUDY IN THE DIDACHE – THE TEACHINGS OF THE APOSTLES

“The Way of Life – The Rediscovered Teachings of the Twelve Jewish Apostles to the Gentiles” - Toby Janicki Author, Published by Vine of David

The Didache, also known as The Teaching of the Twelve Apostles, is a brief anonymous early treatise, dated by most modern scholars to the first century. It provides a window into the faith and practice of the earliest Gentile disciples and the instructions they received from the Jewish apostles. The Didache was considered an early discipleship manual for those coming to faith—its wisdom and simplicity are still relevant for us today. Includes Audio and Additional Notes

A STUDY IN THE BOOK OF MATTHEW – THE LIFE AND TEACHINGS OF OUR JEWISH MESSIAH YESHUA

This is an in-depth study of the Book of Matthew from a Messianic Jewish perspective on the life of Yeshua. Over 400 pages of notes that will connect you with the Master in a greater and deeper way. Includes Audio

CRASH COURSE IN JEWISH HISTORY:

These lessons are mainly taken from the book written by **Rabbi Ken Spiro** with the said title. It traces the history of the Jewish people from Abraham... the “birth of monotheism”, the holocaust... right through to modern Israel. This is an engaging subject that will open the eyes of the student. An exciting course showing just how the Jewish people have survived against all the odds.

THE DIFFICULT WORDS OF JESUS/YESHUA

The student will study this book to gain a clear understanding and knowledge of Hebrew and Greek thought presented in scripture. Words come alive as the student gains a greater picture of word meanings and the culture of the time. **By David Bliven**

SURVEY OF THE TANAKH:

The student will take an in-depth view of the Tanakh, and how it relates to the Apostolic authors of our faith. It is vital that this is understood as it affects our relationship with Yeshua and YHVH. The student will gain valuable understanding of the wonderful patterns in scripture and the lessons to be learned. – **Lectures by Dr. Deborah Brandt**

SURVEY OF THE APOSTOLIC SCRIPTURE

Understanding the Apostolic scriptures is a must if one is to follow in the footsteps of Yeshua HaMoshiach. YHVH does not change so His message and Word does not change. Here the student will come to appreciate the unbroken link between the Tanakh and the Apostolic scriptures. The foundational book for this study is “Survey of the Apostolic Scriptures” **Lectures by Dr. Deborah Brandt**

TAKING A JOURNEY THROUGH THE TORAH

Using **Rabbi Mordecai Silver’s** “Journey Through the Torah”, Volumes 1 and 2 the student will learn the reading pattern used by the majority of Jews on Shabbat. Linking what is known as the Haftarah with the Torah and the Apostolic scriptures an enlightening journey unfolds. Students will be taken into the learning circle of the Talmidim in days gone by. **Student required to do Vol 1 year 1 and Vol 2 year 2.**

FEASTS OF THE LORD

A truly exciting journey awaits the student who chooses this course. This really is a must for those who want to stand with Yeshua in obedience to YHVH.

Here the student will explore the wonder of the 7th day Sabbath. All the BIBLI- CAL CELEBRATIONS of Leviticus 23 are covered in detail. The student will leave this course knowing the difference between YHVH’s Moadim and those appointed times that “man” has installed. Don’t miss this course, it will change your faithfulness. **By Rabbi Mordecai Silver, Ph.D.**

HOW WE GOT THE BIBLE

Answers relating to this topic are addressed in this course. Why 66 books... Who chose these books...? Why were some books left out...? What about those books in the Catholic bible? Textual variants, history of the English Bible, why we can trust the Bible and so much more is studied in this series. Slightly academic but exciting non the less. **By Tim Hegg**

BIBLICAL HERMENEUTICS – DANIEL BOTKIN - ELECTIVE

Understanding the most important things in the Bible is not rocket science. The plan of salvation is so simple even a child can understand it, and most of the commandments for saved people are likewise simple: Be kind to one another. Love one another. Hate evil; cling to that which is good. Unfortunately, some topics and passages can be difficult to correctly interpret and are easy to misinterpret. This book will help both the seasoned scholar and the new Bible student navigate and apply those difficult passages with clearer understanding and wisdom. In this comfortable & clear guide to studying God's Word, Hermeneutics – A Practical Guide to Understanding & Interpreting The Holy Scriptures, Daniel Botkin presents principles and examples in context, language, linguistics and literal vs. non-literal approaches to studying God's Word. Find Daniel's first two books on his Lulu Spotlight page: "A Heart to Pray and a Mind to Pray" and, "Crossing Over".

EXPLORING JEWISH LITERATURE OF THE SECOND TEMPLE PERIOD

Fantastic book to introduce the student to the importance of understanding 2nd Temple Jewish literature. This will help the student grasp the parables of Yeshua in greater depth. This work truly shines as a guiding light on 2nd Temple Jewish writings. **By Larry H. Heyler**

COVENANT RELATIONSHIPS, A HANDBOOK FOR INTEGRITY AND LOYALTY

For students who may want to lead a congregation, this handbook looks at the Biblical principles of integrity and loyalty. So much information in such a concise book. The meaning of life... how a blood covenant works... spiritual attitudes... just to name a few. This is a must for those called for leadership. **By Keith Intrador**

TORAH IN THE APOSTOLIC SCRIPTURES and TORAH IS VALID!

In this course the student will be challenged to grasp what it means to walk in the footsteps of Yeshua. New insights into understanding the meaning and importance of Torah will unfold. Students who take this course will view the scriptures as the Talmidim viewed them. This is a must course for those who profess Yeshua as The Messiah.

This is an in-depth study proving that Torah is taught in the New Testament. - **by Rabbin Deborah Brandt. This class is combined with Torah is Valid**HE TORAH IS VALID: This short course is based around the book **by Rabbi Mordecai Silver, Ph.D.** It outlines in detail the defense of why the Torah is indeed valid for all the Children of Israel. The student will find themselves immersed in scripture after scripture as to why this is so.

STUDY IN THE BOOK OF ACTS, THE BEGINNING OF THE MESSIANIC MOVEMENT IN MESSIAH YESHUA

This study will give you an in depth look into the beginning of the Messianic Movement from a Torah and Jewish perspective. The textbook is also accompanied by audio teachings per chapter. **Rabbin/Dr. Deborah Brandt Ph.D.**

SPIRITUAL GIFTS FROM MESSIAH

Yeshua has given every believer spiritual gifts to use in ministering in the local Congregation and also in ministering to those outside our Congregation. This book will help you become familiar with the gifts and help you on your journey to discover what gifts He has placed within you for His Kingdom. Included is a test on how to determine what your spiritual gifts are and additional handouts. Including Podcast and Video's on "Hearing the Voice of God" by **Dr. Deborah Brandt Ph.D.**

THE 7 LAWS OF TEACHING – JOHN MILTON GREGORY – ELECTIVE

Don't miss this vital book for teachers! For decades, John Milton Gregory's *The Seven Laws of Teaching* has been an essential guide for classical educators. Teachers everywhere--whether in schools, at home, in co-ops, or online--need this book. Whether you're experienced or just getting your feet wet, this edition of *The Seven Laws of Teaching* supplies methods and practical application for the classroom, homeschool, or online school.

MESSIANIC ELDERSHIP – SAM NADLER – CORE

If a person thinks there are no objective standards, he will live by his personal ideas, and thereby declare that he hits the bullseye every time! This has been especially true regarding spiritual leadership, where alpha personalities are thought of as dynamic leaders, and where eldership is a group of such leader's cronies. All of this is false, of course, for the Bible gives us the divine standards for leadership in the home and the congregation - none of which is based on alpha personality or cronyism. Eldership is leadership first in the home, and then for the congregation. For Messiah's leaders are servants to others, starting with their family, and then with His family.
